Dear Parent / Guardian

COVID-19 SPECIAL CIRCULAR No.2 for GRADE 12s

Greetings to you.

Please be informed of the following:

The school re-opened for the grade 12 learners on Monday, 8 June 2020. The opening went off very smoothly and there were no major issues or challenges. The staff and learners must be commended on their compliance to all the COVID- 19 compulsory operating criteria. All procedures and protocols within the school premises in terms of social distancing, screening, sanitization and disinfection have been adhered to.

On Tuesday, 9 June 2020, the school was visited by the team from the KZN PROVINCIAL LEGISLATURE to check on the level of compliance as well as to address any challenges being experienced. They were extremely pleased at the functionality level of the school and expressed their commendations in this regard. We did inform the team that the second set of masks for staff and learners had not been received and further appraised them of the challenge that the school is going to experience in respect of Curriculum delivery during the level 2 and 3 lockdown due to eight educators applying for the COVID-19 COMORBIDITY dispensation. The COMORBIDITY dispensation allows for the educator not to be on the school plant, but to perform his/ her duties remotely during this time due to an underlying medical condition that puts the educator at risk. Every effort is being made by the educators on the plant to ensure adequate syllabus coverage occurs. Subsequently the second set of masks for staff and learners were made available on Thursday, 11 June 2020. This has since been distributed to the learners.

THE TEACHING AND LEARNING PROGRAMME

The school calendar has been amended as follows:

Term 2 : 8 June -7 August (44 days)

Term 3 : 12 August – 23 September (31 days)

Term 4 : 5 October – 15 December (52 days)

The NATIONAL SENIOR CERTIFICATE (NSC) October / November Timetable is attached

An amended COVID -19 PLAN B JUNE 2020 Timetable is in operation at school to fast track syllabus coverage. Every grade 12 learner has been given a personal copy. The aim is to maximize teaching and learning time.

ATTENDANCE IS COMPULSORY AND LESSONS WILL NOT BE REPEATED.

The educators intend completing the bulk of the syllabus in most subjects by the end of July. August will be utilised for mopping up, completion of the School Based Assessment (SBA) tasks and preparation for the Trial Examination which in all probability will take place in SEPTEMBER. We are hoping that the Revision Programme in the fourth term, in preparation for the Final National Senior Certificate Examination, will take place via our Online Platform that we busy trying to set up.

CASS PROGRAMME

The DoE has cancelled the June Examination to allow for more teaching and learning time. The focus will be on syllabus coverage and completion.

As soon as there is adequate syllabus coverage, the CASS Programme will commence. Learners will be given adequate notice of dates and times.

Please be reminded of the DoE POLICY when learners are **Absent for Scheduled Tests and Examinations**: The learner must have a valid reason, with proof, for absence eg. illness, death in the family etc. to be given a second opportunity to write. A zero mark will be awarded for absence with no valid reason. A learner who does not sit for a CASS Test / Examination will have an incomplete SCHOOL BASED ASSESSMENT and this can have a negative impact on the Final Matric result with a possibility of not being resultued.

NATIONAL SENIOR CERTIFICATE PRE-LIMINARY ENTRIES

The pre-liminary entry must be checked and signed by the parent/ guardian and the learner. Please ensure that the following details are **absolutely correct** as any incorrect information will **invalidate the matric certificate**.

1. Surname and Name must be spelt as per ID
2. Date of Birth and ID Number
3. Subjects registered for with the correct codes

These forms are due back to the Department of Education on Thursday, 18 June 2020.

COUNSELLING

This is an extremely difficult and uncertain time for our learners. We are fortunate to have the services of Ms.S.Nobin, our counsellor, who is a registered psychologist and nurse. If at any time your child / ward is experiencing any challenges, he/she is encouraged to make an appointment with Ms. Nobin who will render support and guidance.

REMINDER

Please be reminded of the following as compliance will ensure that we remain open for as long as possible to ensure syllabus coverage and completion in this crucial grade 12 year. This is in the best interest of you, your child / ward and the school.

1. If a learner is presenting any of the following symptoms: cough, fever, shortness of breath, sore throat or fatigue **then the learner must be kept at home**. Please notify the school.
2. Learners who have chronic illnesses must inform the school and special arrangements will be made.
3. Learners must pay special attention to personal hygiene, washing of hands, sanitising, social distancing and wearing of masks.
4. We encourage learners to bring their own drinking utensil / water bottle, sanitizer or disposable anti-bacterial wipes.
5. Learners must have their OWN stationery. No borrowing and lending of stationery will be allowed.

UPDATED DETAILS

You must ensure that we have your **updated details on our SA SAMs system**, especially your **contact numbers and email addresses**. Learners must provide **email addresses (for the online platform)** and **their personal cell phone numbers** for direct communication. This is extremely important as we are not allowed to have parent meetings to provide you with information. **All communication will be in the form of SMS, emails, School website notices, D6 Communicator or a circular if learners attended school.**

SCHOOL FEES REMINDER

We make an urgent and humble appeal to all parents/guardians to make contributions towards the 2020 school fees.

The SGB has implemented severe cutbacks in SGB Staff appointments but have maintained essential staff to ensure continuous cleanliness, disinfection and sanitization of the plant. They have also catered for a top up budget to ensure that compulsory criteria for the Standard Operating Procedures are in place at all times.

Further to this we have our Utility Bills and other service contracts that need to be paid. This enables us to function efficiently and optimally.

All payments must be done directly at any Branch of Nedbank or via EFT. In the interest of safety, no collection of school fees will be done at school.
